1951 Gladland Acres Releases

All stock offered will be of our own growing at Lebanon and of course when only medium and small sizes are offered, this will be bulblet grown stock. It is entirely possible that our winter catalog will list a few additional varieties, and this will depend upon summer flower performance and the quantity of stock available. We do not propose to rush any new seedlings on the market until we can offer them at what we consider is a reasonable price, even for a new introduction. Proof of this is shown that with the exception of two Europeans that we think are overpriced even tho we offer them at our exact cost—you may buy all of the remaining 23 in largest size bulbs available for only \$19.50. (In July by taking advantage of maximum early order discount these 23 will cost only \$14.63).

We are now exclusive American representatives for Norman Burn of N. Z. and R. P. Menzies of Aus. Their releases are really stunning. For Mr. Burn we release 8 varieties, all in large or giant class at only \$1.25 per bulb, any size. (The collection of 8 for \$8.00).

From NORMAN BURN, New Zealand

517 Beryl Williams—Creamy buff.
562 Centennial Summer—tall rose-pink.
552 Dominion Monarch—porcelain rose-red.
476 Florist's Glory—Blue, yellow throat.
570 J. H. Mann—Fuchsia purple, cream blo.
506 My O'Lovely—Rich cream, tinted pink.
532 Salmon Perfection—Deep salmon self.
480 Unusual—Charming pink and grey smoky.

From R. P. MENZIES, Australia

520 Mrs. Rhoda Peterson — Giant ruffled orange opening 10 or more 8" florets on 24 bud spike. Per bulb, any size, \$1.50. We have others of his to offer when we can increase stocks to permit a modest initial price.

From Europe—K & M and PFITZER (Lg. only)

432 Midsummer (Pf.)—Orange salmon Lg. \$5
441 Sheherezade—Pink, strawberry blotch \$5.
442 Benares—deep pink, carmine feathers .50
500 Prof. Goudriann—creamy white lg. .50

The balance of our list of 1951 releases are from lesser known hybridists of N. Z. and Australia. These releases of truly promising seedlings should give them international prestige. We regret space does not permit a fuller description. We offer all of them at very nominal prices. Medium size .75. Small size .50. All are bulblet grown.

436 Ace (Jennings) Orange scarlet decorative.
420 Clive (Brown) Tall light apricot.
466 Dresden Lady (Watson) Rosy mauve.
440 Evolution (Franklin) Pink and russett.
480 Geoffrey Watson (Wood) Or.-salmon smoky.
532 Harbour Lights (Jensen) Peach pink.
443 Holmwood Charm (Wood) Deep pink.
480 Holmwood Harmony (Wood) Smoky mauve.
412 Holmwood Primrose (Wood) Light gold.
466 Joan's Lavender (Watson) Lt. lavender.
440 Picton (Julyan) Promising N. Z. pink.
431 Royaltina (Everetts)—Salmon apricot.

NEW NAMES IN THE GLADLAND LIST

From all over the world we bring you the cream of latest introductions as well as a few that we have rescued from the past. All are very worth while. Only two, Pfitzer's SILCHERLIED and Barret's ROYAL FLUSH are in the high-cost bracket but both of these are superlative. Bulblets are available for all (5 for the price of a small bulb) and 1/10th the price of a large bulb per bulblet for the two above mentioned.

CASH DISCOUNTS FOR EARLY ORDERS

Schedule is shown on reverse of sheet. Note that your discount lessens 5% each month. Order now for maximum savings. This discount applies to every item listed without exception.

QUANTITY DISCOUNTS

No discounts for quantity are allowed on the 25 releases for 1951, for miniatures, or the group of 60 varieties listed under heading NEW NAMES IN GLADLAND LISTINGS. All of the 546 varieties grouped in color classes, unless marked NE1, are subject to quantity discounts.

The 10 Rate (20% from each price) applies to purchases of 5 to 25 of a single size and kind. If an item is priced in units of 5 to 10, as 5 BURMA Med. for 25c or 10 BURMA small for 25c, these are already priced at 10 rate. The 100 rate applies to 25 or more of a size and kind—this discount is 20% off 10 rate or 36% off each rate. Example: 25 SPIC & SPAN at 25c equals \$6.25. Less 36% —\$2.25 makes a cost of \$4.00. If order is placed in July your 25% early order discount is \$1.00—and your July cost would be exactly \$3.00 on a normal \$6.25 purchase. We prepay postage on each and 10 rates, but you pay transportation at 100 rates.

SHIPMENTS

We cannot assemble and ship retail orders before Dec. 15th. Except for west coast we suggest MARCH as earliest safe shipping month.
